Funkce sprchy: Déšť
Ostatní: Dvoucestné
Hmotnost / ks: 5.372 kg
Balení: 6 ks
Záruka: 6 let

Technical drawing of a shower head assembly, showing multiple views and dimensions:

- Front View (Top Left):** Shows a rectangular shower head face with a grid of 24 circular nozzles (4 rows by 6 columns). The width is dimensioned as 90.
- Side View (Top Right):** Shows the shower head mounted on a wall. The distance from the wall to the center of the shower head face is 400mm. The shower head has a G1/2" connection. The mounting bracket has a height of 10.5mm and a width of 10mm. The shower head face is 50x50mm.
- Top View (Middle):** Shows the shower head face from above. It is a square with rounded corners (R15) and a grid of 24 circular nozzles. The width and height are both dimensioned as 300.
- Detail View (Bottom Left):** Shows a cross-section of the shower head face, highlighting the internal structure and the 35mm height of the shower head face.
- Detail View (Bottom Right):** Shows a cross-section of the shower head face, highlighting the internal structure and the 150mm height of the shower head face. The distance from the center of the shower head face to the center of the shower head body is 68. The width of the shower head face is 120.
